Circulated & File -

Bi-Weekly Report ending 22 June 1962
RECORDS SYSTEMS AND DISPOSITION BRANCH

1. Contributions

25X1

a. [redacted] conducted a Vital Records Workshop at the request of the DDP/EE Records Officer, [redacted]. This was the fourth VR Workshop and was attended by 18 persons (14 from DDP/EE, 3 from DDI, and 1 from the Executive Registry.) Additional workshops are being scheduled.

25X1

25X1

b. A memo was received from [redacted] [redacted] indicating the shelf filing installation is now complete. They are pleased and satisfied with the change.
[redacted]

25X1

25X1

2. Assignments

25X1

a. Shelf Filing
(1-4) Commo Signal Center, Cable Secretariat, Office of Security, Commo Registry [redacted]

No change on these projects.

25X1

(5) DIP/TSD [redacted]

25X1

Provided the TSD [redacted] personnel with information for executing a requisition for 14 sections of shelf files.

(6) O/Pers - Insurance Branch [redacted]

25X1

25X1

Discussed with [redacted] Chief of the Branch, conversion of the files to become compatible with vault storage. When the Branch moves from Alcott Hall to a secure area in South Building, 23 safes will be replaced with either five-drawer cabinets or steel shelving and the legal folders will be replaced by letter size folders.

25X1

(7) DD/S [redacted]

25X1

At request of [redacted] I surveyed a vault in the DD/S area for conversion to shelf filing from 4-drawer safes. The office has approximately 40 cubic feet of records in the files.

(8-9) Logistics RE & CD, Comptroller's Office [redacted]

25X1

No change.

CONFIDENTIAL

~~CONFIDENTIAL~~

25X1 (10) Medical Staff [redacted]

The Registrar Branch expressed a desire to change from conventional type shelf filing to motorized shelf filing.

[redacted] and I visited three different installations to determine which would best meet the Medical needs. The Diebold model was decided upon and a requisition for 10 units was approved and sent to O/L Procurement. The new units will provide 26% additional filing space.

b. Records Control Schedules

25X1 (1) OTR [redacted]

No change.

25X1 (2) [redacted]

Comments were received from the [redacted]. A review of all three replies will be made and schedules will be coordinated and revised where necessary.

(3) Inspector General [redacted]

The Records Control Schedule was revised and forwarded to the IG for review and approval.

c. Special Projects

(1) Conference Notes and Special Reports [redacted]

a. Work on Records Management brochure continues.

b. Speeches, Slides, and notes on Workshops being consolidated and up-dated.

c. Poster on Records and Filing Space drafted and sent to OI Graphics.

(2) Agency Courier System [redacted]

Final report being prepared for submission to DDS.

(3) Requests for Filing Equipment [redacted]

Requests are being reviewed.

25X1 3. Vital Records [redacted]

A revised VR Deposit Schedule for OO was reviewed, amended and returned to [redacted] for approval and signature of Chief/OO.

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

Approved For Release 2005/11/21 : CIA-RDP70-00211R000500090028-6

4. News

25X1

[redacted] completed a course in Speedy Correspondence sponsored by the CSA.
